W CUP II

This Wempe Signature Porthole series with solid milled stainless steel cases is available with a high-gloss polished or PVD coated brass finish. The dials of all quartz clocks are available with either Roman or Arabic numerals; a barometer, a comfortmeter or a thermo-/hygrometer complete the series. Various polished mahogany plates or black polished wooden plates are available for mounting the instruments in this series.

CASE	140 mm ø x 47 mm
DIAL	100 mm ø
WEIGHT	1,300 g
